PRAJWAL LALPOTU

Web Developer

Pune, India | +91 9022445933 | prajwal.lalpotu@gmail.com | www.linkedin.com/in/prajwal-lalpotu

PROFILE

Skilled in HTML, CSS, and JavaScript, with a solid understanding of front-end web development principles and best practices. Well-versed in creating visually appealing and responsive websites across various devices and screen resolutions using frameworks like Bootstrap. As a fresh and enthusiastic talent in web development, I would bring a fresh perspective and a willingness to learn and adapt to new technologies. This would contribute to the overall growth and innovation within your company's web development projects.

Portfolio

EDUCATION

B.E IN COMPUTER ENGINEERING | 2021-2025 | INTERNATIONAL INSTITUTE OF INFORMATION TECHNOLOGY, PUNE|CURRENT CGPA – 8.035

PROJECTS

College Search

- It is a Dynamic website in which we can search any college across India.
- We can even apply the filters for state and city.
- I have used **HTML**, **PHP**, **CSS**, **JavaScript** and **MySql**.

Dice Game

- Created a dice game where players have to predict the outcome before rolling it.
- According to the prediction score changes.
- I have used **ReactJs**.

    DEMO

Calculator

- Developed a fully functioning calculator using **ReactJs.**
- Incorporating advanced features to ensure seamless operation and a positive user experience.

Social Media Platform (Social Connect)

- Developed a fully functioning social media platform resembling Instagram using **HTML**, **CSS**, **PHP** and **Mysql**.
- The project allows users to follow other members and view their activity in the following section.
- At the start the user has to create an account on the platform and login to see all the users in the platform.

    DEMO
